If the children would like to drink water in the classroom they may do so with a reusable water bottle only. Disposable plastic bottles (such as Poland Spring bottles) and glass bottles are not allowed. This is more environmentally friendly and causes less of a distraction during class time.

Please label all of your child's supplies with his or her name. You can also help by labeling some of their supplies with the subject they will be used for. Please see the attached list to guide you.

Thank you for your cooperation. We wish everyone a safe and happy summer and look forward to seeing you in September!
